Child Support Ambassadors

Our specially-trained Child Support Ambassadors are available to provide:

- Workshops and presentations for staff who work with children and families, so that they can learn more about the child support process and better assist their clients and customers.
- Workshops and presentations for parents, families and other interested parties, to educate them on the child support process.
- Information and answer questions at resources tables at community events and fairs.
- On-the-spot case assistance and services through the use of mobile technology, to assist families in their community – beyond the walls of our public contact offices.
- Services out in the community through our new Mobile Vehicle Unit, obtained through a generous grant from the Los Angeles County Quality and Productivity Commission.

If you are interested in scheduling a Child Support Ambassador for a workshop or event in Los Angeles County, please contact our Community Engagement Coordinator Tina Robinson at (323) 889-3248 or tina_robinson@cssd.lacounty.gov.

We look forward to working with you!
